REFERENCE LETTER

I hereby on behalf of the user i.e. MOSiR w Częstochowie and players who played on the GreenFields DT Pro 50 - surface installed in Q4'2018 by Sport-Track sp.z o.o. I confirm the high level of quality of the pitch made. Comfort, ball control during the game and safety are excellent all-over. The facility has been certified for FIFA Quality PRO. Pitch is often used and tolerates intensive use very well.

The field certification took place at the contractor's initiative.
